The california sea lion is a free bonusblock and belongs as number ten to a series of nine six inch sized blocks around the theme "Animals".

All animal blocks are foundation paperpieced. You will find a short instruction for paperpiecing on my homepage or you may download it as pdf-file here:

<http://chasenbach.tripod.com/main/paperpiecing-e.pdf>

Yardage requirements:

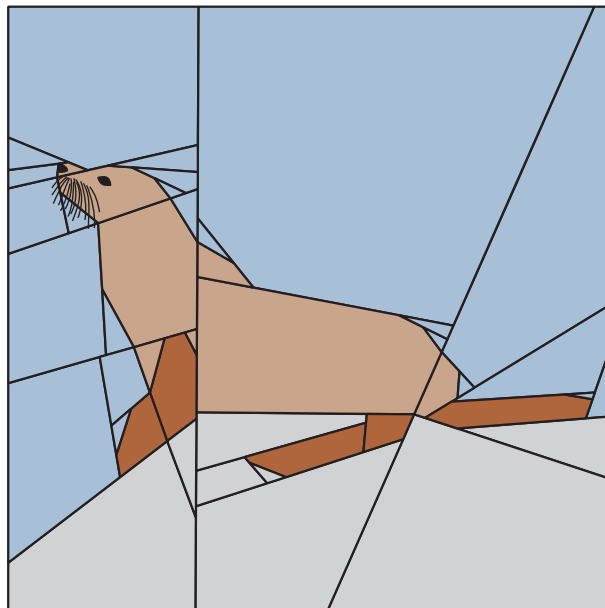

- blue for the water
- grey for the rock
- brown for the body
- dark brown for the flippers

Furthermore:

- black embroidery thread for eye and nose
- grey embroidery thread for the whiskers

Yardage requirements may vary due to technique of paperpiecing used by individual quilters. So I'm sorry but it's not possible for me to give more exact information.
